DETAILED ACTION

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

1. Claims 1-28 are allowed because the prior art does not teach or suggest a method for configuring a routing program for routing connections between an integrated circuit device and an embedded core, comprising: obtaining a first horizontal pitch and a first vertical pitch for one of the integrated circuit device and the embedded core; obtaining a second horizontal pitch and a second vertical pitch for the other of the integrated circuit device and the embedded core, the first vertical pitch and the second vertical pitch being different; inputting a first connection layer input to the routing program, the first connection layer input including the first vertical pitch and a horizontal direction; and inputting a second connection layer input to the routing program, the second connection layer input including the second horizontal pitch and a vertical direction
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
